

BAUSCH+LOMB

GLOBAL QUALITY POLICY

At Bausch + Lomb, we strive to achieve quality health care outcomes for our patients and customers to protect and enhance the gift of sight – through every phase of life, by our people delivering value through innovation and efficiency. Our quality commitment is to earn the trust and confidence of our customers every day by delivering effective, safe, and consistent quality products and services and always meet applicable regulatory requirements.

All of us at Bausch + Lomb are entrusted with this responsibility, and we have instituted an effective, efficient, and compliant Quality system, and a global culture of continuous improvement, which are essential to achieving these goals.

POLITICA GLOBALE SULLA QUALITÀ

In Bausch + Lomb lavoriamo per conseguire obiettivi di qualità per la salute dei nostri pazienti e clienti allo scopo di proteggere e migliorare il dono della vista in ogni fase della vita, grazie al lavoro delle nostre persone che creano valore attraverso innovazione ed efficienza. Il nostro impegno nei confronti della qualità è quello di conquistare ogni giorno la fiducia dei nostri clienti fornendo prodotti e servizi efficaci, sicuri e consistenti/continuativi/costanti di qualità, e che soddisfino sempre i requisiti normativi applicabili.

Questa responsabilità è affidata a tutti noi di Bausch + Lomb e abbiamo istituito un sistema di qualità efficace, efficiente, conforme ed una cultura globale del miglioramento continuo, entrambi essenziali per raggiungere questi obiettivi.
